GYANESH GLOBAL SCHOOL TO BE THE FIRST SCHOOL IN PUNJAB TO INTRODUCE CODING AND AI TO CURRICULUM.

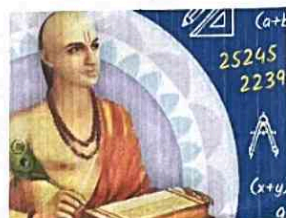

By - RASHNA ROJI

Gyanesh global school is all set to introduce coding and artificial intelligence as a part of the school curriculum. The school has collaborated with 'Cyber Square' which provides courses to equip kids for the future by teaching coding and artificial intelligence. Cyber Square is a UK based company which has been providing coding and AI programs to major leading schools in UAE and Kerala. "The ever changing technology demands changed vision in the curriculum. We need to move from users of technology to creators of technology. Our aim is to provide the basic lessons to our students to make them the creators of technology", says Principal Raji Thomas. "AI as a curriculum will be helpful for the students to develop the skills like decision making, logical reasoning, problem solving and to become creative so that the students will be able to create sophisticated programs and gadgets which will be helpful for the society", said Ms. Gagandeep Kaur, IT Teacher. "Lisp isn't a language, it's a building material."

PAPER CLAY ART : BUILDING WITH CLAY AND PAPER TO STRENGTHEN WORK.

Clay moulding activity was held in pre-primary wing of school where children brought clay from their homes. Initially all the teachers explained that how a piece of clay can be design any shape and model. This competition was held on April 20. It was amazing to watch that little artists creatively portrayed about such creativity wondrously. A wonderful display of talent by little ones.

VEDIC MATHEMATICS TO BE INTRODUCED IN GYANESH GLOBAL SCHOOL FROM ACADEMIC YEAR 2023.

By - Navneet Kaur
